Hi Emada,

Our QofL team and SLO will look into this location. The SLO is off until 1/3, but we will try and get an update before then, as well as coordinate with OSB Hope Team.

Merry Christmas!

Catherine

Hi Carolyn,

Thank You for the photos and information. Is this a Sanitation yard or another City Property? It looks like it would need a CSLA. Sergeant Mason, is it possible to have your officers assess this location and advise the UHRC on your observations. Sergeant Plows, I am not sure who the SLO is for this area, but can you have them also make contact with the business and/or provide their knowledge on any efforts at this location. Matthew, can you check to see if any coordinated outreach by your Teams has been done at this location and if not can you please send a team.

Thank You all in advance. I know we all have multiple locations and requests throughout the City and its a daunting task. I appreciate everyone's hard work.

Take Care,

Emada

Hi Officer Chellew,

Please see below. This location is in CD 15, Harbor Division, coming from an Engineer from LASAN. Do you think HOPE South would be able to assist with this location? Current maps and photos of the encampments attached. On city-owned property.

Thanks so much 😊

To whom it may concern,

There is homeless encampment at the access road to the existing CDS unit (D-24010) near the Machado Lake area; the nearest intersection is Figueroa Pl & Pacific Coast Highway. There is an entrance gate at Figueroa Pl follow with the access road led to the CDS unit at the dead end. The homeless occupied halfway of the driveway that cause WCSD crews was not able to access the CDS unit for maintenance. Please see the attached field pictures and the maps for detail.

Thank you
